

Occasionally, due to heavy usage on the BBO site, or perhaps for internet connection issues, or perhaps for some other random reason, you may get 'bumped' off from your table. If this happens, the Director will receive a notification that you are absent. If the condition persists for a period of time, the Director may summon a replacement for your spot at the table until you are able to return.

In order to get back as quickly as possible, **LOG OFF** the BBO website, and **LOG BACK ON IMMEDIATELY**. This will send a signal to BBO that you are returning, and you will be restored to your proper seat.
