

After the game has ended, you can review any, or all, of the hands that you have played. Find the History tab (vertical tab at the right of the screen). Clicking there will open a window for you to select the game(s) and / or hands that you wish to review. Most of your 'recent' games are available for review.

At this time there does not appear to be a convenient way to obtain a printed copy of the hand records for your game. There is a rumor that hand records will soon be available to be uploaded to the report that is sent to Live for Clubs. That addition will be welcome when achieved.
