

Playing on-line at the Valley Forge Bridge Club costs \$5 per person for a session of 18-20 hands. Payment is made using 'BridgeBase Dollars' (BB\$). These are credits used for all BBO games and activities which require a fee. One BB\$ is equivalent to \$1. Payment for virtual games is made at the time you and your partner register for a game. The actual withdrawal of BB\$ occurs at game time. If, for any reason, you do not play in the game for which you are registered, your payment is not extracted.
