

Bidding in Competition

Do the opponents compete aggressively and effectively when you open the bidding? Do you want to be able to do the same?

The course consists of six (6) 90-minute sessions.

Course includes:

- When and why to compete in an auction
- Simple overcalls
- Pre-Emptive overcalls at all levels
- All about takeout doubles and responses
- Conventional overcalls; unusual notrump and Michaels cuebids
- How notrump overcalls differ from notrump openings
- Proper responses to partner's notrump overcalls
- Balancing; why, how, and when...
- When to "bid your partner's hand"
- Pre-balancing
- Bidding the opponents' suit at the three-level
 - DONT, Cappelletti, Meckwell, Transfer overcalls
- Sacrifice bidding and advancing partner's pre-emptive bids
- "The Structure" – Notrump Overcalls for Takeout & Power Doubles

A minimum of eight (8) participants is required to conduct the class. The cost is \$150 per person. Registration is closed two weeks prior to commencement of the course.
