Unless otherwise noted, classes require a minimum of eight (8) students and are limited to 24 students. Classes that do not attract the minimum enrollment one week prior to start will be cancelled by the instructor.

Seminars, or series of seminars, are stand-alone events. Each event is independent. You may 'pay as you go' for seminars and seminar series.

Otherwise, classes build upon previous sessions. When you register for a class, you are expected to attend all sessions or to be able to make up missed sessions before proceeding.  
Thanks.
