

Improving Declarer Play

One trick MORE or one trick LESS is often the difference between winning and losing. Improve the one part of your game that doesn't depend on your partner...

6 Sessions, each approximately 90 minutes in duration.

Course includes:

- Visualization
- Making a (real) plan
- Risk assessment
- Developing tricks
- Preserving entries
- Handling suit combinations
- Learning how to count (not as easy as you think)
- Analyzing the opening lead
- Reading the opponents' carding
- When to change your plan
- Falsecarding that works
- Holdups and Safety Plays
- Using stoppers
- All manner of finesses
- Timing when playing notrump contracts
- Recognizing the five types of suit contracts
- Using your trumps effectively in suit contracts

Cost of the course is \$150. A minimum of eight (8) attendees is required two weeks prior to commencement of the class to conduct the course.
